

# Literacy and Science: Making Friends out of Traditional Curricular Enemies

Email: [northwestreading@gmail.com](mailto:northwestreading@gmail.com)

## FEATURED PRESENTER: P. DAVID PEARSON, PH.D

On Thursday, June 22, 2017, keynote speaker Dr. Pearson will further educate attendees on how to merge the best research-based strategies in English Language Arts and Science as he presents on *Making Friends out of Traditional Curricular Enemies*.

The afternoon session attendees choose 1 of the breakout sessions that will compliment the ELA and Science theme.

4.5 Clock Hours may be purchased from INWRC.

P. David Pearson, PH.D., is a faculty member in the programs in Language and Literacy and Human Development at the Graduate School of Education at the University of California, Berkeley, where he served as Dean from 2001-2010. His current research focuses on ways of using reading, writing, and language as tools for learning, development, and engagement.

Prior to coming to Berkeley in 2001, he served as the John A. Hannah Distinguished Professor of Education in the College of Education at Michigan State. and as Co-Director of the Center for the Improvement of Early Reading Achievement. Even earlier, he was Dean of the College of Education, Co-Director of the Center for the Study of Reading, and Professor of Curriculum and Instruction at the University of Illinois. His initial professorial appointment was at the University of Minnesota in Minneapolis from 1969-1978.

Dr. Pearson is also a trusted advisor to Reading Plus.
